NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

Two announcements in this week's issue of the Herald tell the end of two long-time business names in Hamlin. For one it is just a matter of a change in ownership but for the other it means closing the doors.

This week Jess and Naomi Young are announcing the selling of their cleaning business to Mr. and Mrs. Ewell Mackey after 51 years service to this area. The Youngs will be taking a long deserved rest after serving the public for so many years.

We would like to express our best wishes to both of these couples. The Youngs have been a part of the business life of Hamlin for so many years it will seem strange for a long time for them not to be an active part of downtown Hamlin. But at least for a little while longer they will still be at the same old stand as they stay around to help the Mackeys get started.

We would like to welcome both Ewell and Janice Mackey and hope for them every possible success. Both have been active in the affairs of Hamlin for many years and we know that they will continue to be an asset to Hamlin.

The other change being announced is the closing of J. M. McDonald's, both here and in Stamford. This will mark the end of 20 years service to this area and much longer than that when you count their predecessor, Bryant-Link Company.

In a large degree both Hamlin and Stamford are victims of the poor mail and freight service as this is given by the company as one of the major reasons for closing. The communications gap between the home office in Hastings, Neb., and here was just too much to overcome and maintain a successful operation.

This firm and their long association with Hamlin will be missed by all of us.

Cong. Omar Burleson points out in his column this week that new organizations of one sort or another are formed about every day. One formed at Ohio State University recently is known as Students for Majority Rights. This may turn out to be a very significant group, according to Burleson and we agree. They have filed a suit, the purpose of which is to affirm the right of students to pursue their education "free of intimidation and violence."

The court case has been filed by nine students against one professor, one non-student and seven regular students. If the case is brought to a final conclusion in the courts, it could serve a most valuable purpose and is certainly timely.

Soon it will be back to school for thousands of sincere and serious-minded students who want to pursue their education unmolested.

One might assume that the rights of the majority would be automatically protected. We have seen that they are not and there is a reason.

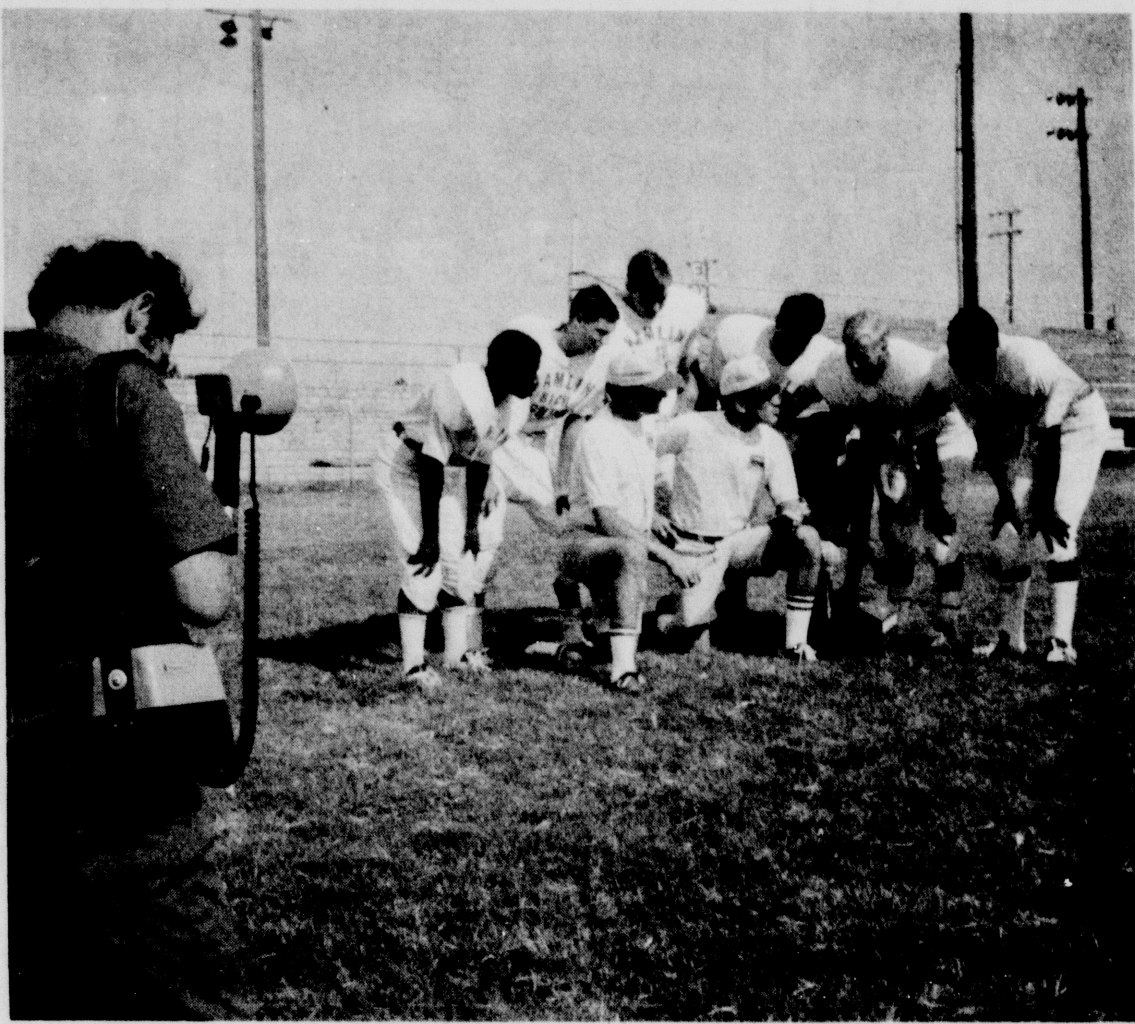

The reason is that traditionally we have been long on protecting the rights of the minority and short on protecting those of the majority.

Constitutional guarantees of freedom of speech and freedom of assembly are needed primarily to protect the rights of the minority from being denied by the power of the majority.

In recent years, however, we have seen the denial of majority rights on campuses, in the streets and elsewhere, through the misuse of these rights by the few.

If the case brought by the students for majority rights is carried to a successful conclusion in the courts, then a principle would be established in other cases where the minority prevailed and denied the same rights to the majority as demanded by the few.

It is perfectly well to say that

PICTURE DAY FOR PIPERS—Staff photographer Billy Adams of the Abilene Reporter-News was in Hamlin Tuesday afternoon to take pictures of the 1970 Pipers for an area round-up story due to be released in the near future. Huddled with some of the Pipers are coaches Bobby King and Larry Butler. The Pipers are holding two-a-day workouts this week at 8 in the mornings and 7 in the evenings. Coach Deane Wright reported Tuesday that he now had 49 boys out for football.

Suspect Questioned--

Arson Being Investigated By Police

Plagued with numerous fires within a small area of North-east Hamlin, the Hamlin Police Department has launched a full scale investigation of possible arson. Chief Bryan Wasson said Tuesday morning that a 14-year-old boy is being questioned as a suspect in the case.

Two homes and numerous grass fires have been fought

within this area since the first of August with one of the homes being completely destroyed after catching fire twice.

Hard hit in the fires was the family of Mrs. Annie Nell Lee and her seven children. First her home at N. E. Fourth and Ave. E caught fire on Aug. 6, destroying all of their belongings. The fire department was able to save the house however. The house caught fire again on Aug. 11 and was completely destroyed this time.

The people of Hamlin donated clothing for the family and they moved into the residence of Mrs. Lee's brother, Bob Butler at 304 N. E. Ave. H. On Aug. 16, two separate fires in closets at this home were discovered and the fires destroyed all of the clothing that had been donated to the family.

In between these fires, the home belonging to Mr. D. Davis at N. E. Fourth and Ave. I was discovered on fire

by Hamlin Patrolmen Dill and Stinnett on Wednesday, Aug. 12. This fire was put out by the Fire Department.

Also, numerous fires have been reported within a block of this house.

Chief Wasson said that samples from the fires have been sent to Austin for lab reports.

McDonald's To Close Store Saturday

The J. M. McDonald Company will close at the end of the business day Saturday, after 20 years of service to the area.

The announcement of the closing was made by Homer Brown, district manager, who is in the area to direct the final sale. The store in Stamford also is closing.

Big savings on merchandise are being advertised for Thursday, Friday and Saturday. The store will be open from 9 a.m. to 9 p.m.

Headquarters for McDonald's is in Hastings, Neb. Here to assist with the closing sale is Francis Schneeweis, manager of the McDonald store in Lamesa, and a former manager here.

Library Seeks Overdue Books, No Charges for Week

No charge on overdue books at Harden Memorial Library will be made if the books are turned in by the end of next week, announces the librarian, Mrs. V. E. Holt.

Some of the books have been out for some time and they are needed for more adequate circulation to other patrons.

No overdue charge will be made if the books are turned in by Friday, Aug. 28.

If those who have books out cannot go to the library during regular hours, Mrs. Holt encourages the use of the book drop in the door.

Mr. and Mrs. R. L. Moyer and daughters, Rochelle, Martha and Paula of Vancouver, Wash., visited in the home of her mother, Mrs. G. E. Wells, for the past two weeks. They started their return trip Sunday by way of Carlsbad, N. Mex., for a tour of the caverns.

FIRST RAIN SINCE JUNE!

The first measurable rain since June 21 came to Hamlin Tuesday evening. Rain was spotted throughout the general area with one-half inch being reported in some areas and up to one and one-half inches around McCaulley. An inch to an inch and a quarter was reported in the Neinda area.

Recorded at City Pump Station was .75 inches.

Benefitting from the rain and cooler temperatures will be the cotton, the late maize and the volunteer wheat.

Although the moisture is not sufficient to assure a bumper cotton crop, it will be helpful, one spokesman said. More rain is still needed, he added.

Some 90% of the maize had been harvested before the Tuesday rain.

During the month of June .92 was recorded, .20 on June 1 and .72 on June 21. Traces were noted on June 2, June 25 and June 29.

Only traces were entered in July, on the 12th and 21st.

A trace was recorded Aug. 10.

School to Open With Classes Here Monday

Classes for all Hamlin students will begin here Monday at 8:30 a.m. Registration for junior high school and high school students was conducted Monday and Tuesday and the other students will register when they report to their respective schools.

Busses will run the same routes according to the same schedules as last year. Any necessary changes will be made after Aug. 25, says Supt. C. F. Cook.

The lunchrooms will be operated on the same basis as last year. Meals for students in kindergarten through fifth grade will be 40c each meal. Students in the sixth through twelfth grades will pay 50c.

HIGH SCHOOL
Some 250 students registered in high school this week with more expected by the opening of school. Principal B. V. Newberry said that 52 seniors, 65 juniors, 59 sophomores and 74 freshmen had enrolled by Tuesday afternoon.

High school classes will be the same as last year, seven 55-minute class periods. The first bell rings at 8:20 a.m. and the tardy bell is at 8:30. The lunch period is from 12:22 until 1 p.m. The last class period ends at 3:45 p.m.

JUNIOR HIGH
Junior high registrations totalled 182 for the three grades, according to Principal Marvin Carlton. Sixty-three students were enrolled in the eighth grade, 53 in the seventh grade, and 66 in the sixth grade. More are expected, he said.

The first bell rings at junior high at 8:22 and the tardy bell rings at 8:30. The time allowed for lunch is from 12:00 to 12:35 p.m. Classes are dismissed at 3:50.

ELEMENTARY
Mrs. L. C. Brown, principal of the elementary school, announces that students in the third, fourth and fifth grades will register Monday when they report for the first day of school. Supplies that will be needed will be explained at that time but students must bring \$2.50 for notebooks and supplies Monday. Classes begin at 8:30 a.m.

PRIMARY SCHOOL
Parents are requested to accompany their children to the first and second grades in the primary school, according to Mr. Fred Smith, principal. The parents may assist their children in locating their classrooms, get their meal tickets and sign their children's enrollment cards while there.

First grade children who did not have their birth certificates at pre-school registration in the spring must have them before they can be enrolled.

Classes begin at 8:30 a.m. and dismiss at 2:30 p.m. for the first grade and 3 p.m. for the second grade.

Primary children may eat in the lunchroom, bring a lunch, or go home for lunch, says Mrs. Smith.
Supplies needed for the

first grade are: cigar box, No. 8 crayolas, wide tablet, but not wide lines, a large primary pencil, scissors, \$2 for other supplies and 50c for parties. A book satchel is not necessary unless it will fold and fit into desk.

The list of second grade supplies includes Elmer's Glue, No. 16 crayolas, No. 2 pencils, scissors, manuscript imaginary line tablet, construction paper and \$2 for

other supplies.

KINDERGARTEN

Kindergarten students will report to the primary building at 8:30 a.m. Monday and be enrolled. Parents of all eligible children are to accompany them to school and bring the child's birth certificate.

Kindergarten children will follow the same schedule as first grade pupils.

Industrial Development Meeting Set Here Aug. 27

The first of a series of Industrial Development meetings sponsored by the Hamlin Board of Community Development will be held Thursday, Aug. 27, at 8 p.m. in the high school cafeteria, according to Ellis West, chairman of the Industrial Development Committee.

The meeting, a slide presentation entitled "Our Home Town," will be conducted by W. A. Collins Jr., manager of Community Development for Lone Star Gas Company.

Chairman West is urging all community minded people of Hamlin to attend the meeting.

Called Meeting

The Hamlin Masonic Lodge 958 A. F. and A. M. has set a called meeting for Monday, Aug. 24 at 7:30 p.m. for work in Master's Degree. All members and visitors are invited.

ing and express their views and opinions on future community development.

The series of meetings are a part of the BCD's stepped up Industrial Team Training program to keep what industry Hamlin has, and entice new industry.

Refreshments will be served preceding the meeting.

Substitute Teachers Being Sought By School System

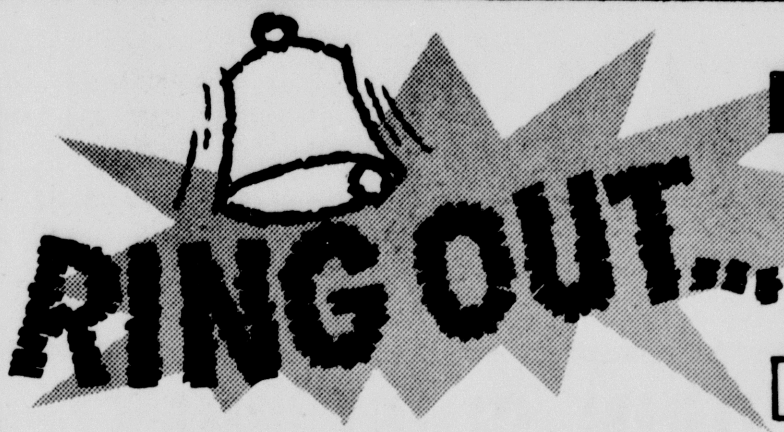

The Superintendent's office of the Hamlin School system is seeking names for the substitute teacher list, according to the secretary Mrs. J. O. Murphree. Those desiring to be added to the list should call 576-3322.

To qualify you must either be a college graduate or have at least 60 hours of college work.

NEW L. E. O. A. T. PRESIDENT—Chief of Police Bryan Wasson shows the gavel that goes with the office as president of the Law Enforcement Officers Association of Texas. He received the gavel at the board of directors meeting in Mineral Wells last weekend.

Mrs. James Soliz
Honored With Gift
Tea Here Saturday

Mrs. James Soliz, the former Connie Kim, was honored Saturday with a gift tea in the home of Reta Oliver.

Guests called from 3 to 5 p.m. and were received by the honoree; her sister, Mrs. Jack McMinn of Abilene; Mrs. Martini Soliz of Rotan, mother of the bridegroom; Mrs. R. L. McIntosh of Hobbs, grandmother of the bridegroom; and Donna Soliz, sister of the bridegroom.

Debbie Scarborough registered guests. The round table was covered with a white linen cloth edged with lace and decorated with a yellow candle and a blonde bride doll.

Dianna Crowley served. The serving table was covered with white net over satin with yellow bows at the corners. The centerpiece was yellow daisies arranged with gypsophila in a gold container. Crystal appointments were used.

Hostesses with Miss Oliver were Mmes. Burt Oliver, Leroy Pritchard, David Galloway, J. C. Bailey, Bob Craig, Harvey Elkins, John Johnson, Joe Fudge, Elbert Payne, Bill Cochran, Ester Hastings, Paul Cooper, V. E. Holt and Bobby Crowley.

Gourmet Party
Honors Reta Oliver

A gourmet party was given in the home of Pat Perrin Monday evening honoring Reta Oliver, bride-elect of Blaine Bennett of Stamford.

Miss Perrin was assisted in serving by her cousin, Mona Anderson of Sheffield, Pa. Crystal appointments were used.

Guests brought a recipe and one ingredient.

News deadline is noon Tuesday. Tuesday evening events by 10 p.m. Tuesday or 8:30 a.m. Wednesday.

PUBLIC NOTICE
Proposed **CONSTITUTIONAL AMENDMENT**
General Election Nov. 3, 1970
NUMBER FOUR ON THE BALLOT (HJR15)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Article III, Section 51-b, Subsection (a), Constitution of the State of Texas, be amended to read as follows:
“(a) The State Building Commission is created and succeeds to the powers and duties heretofore vested in the agency of the same name by this Constitution and to the powers and duties the Legislature has vested or may vest in the Commission. Its membership shall consist of three Texas citizens appointed by the Governor with the advice and consent of the Senate. The term of each member shall be six years except in the first appointments to the Commission the Governor shall appoint one member for two

years, one for four years, one for six years, and thereafter one member biennially. The Governor shall biennially designate one member as Chairman. Vacancies in the Commission shall be filled by appointment by the Governor for the unexpired term. The provisions of this paragraph shall be self-enacting.”
Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: “The constitutional amendment reconstituting the State Building Commission as a three-member appointive commission.”

PUBLIC NOTICE
Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER SIX ON THE BALLOT (SJR32)
General Election Nov. 3, 1970

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 51, Article XVI, Constitution of the State of Texas be amended to read as follows:
“Section 51. The homestead, not in a town or city, shall consist of not more than two hundred acres of land, which may be in one or more parcels, with the improvements thereon; the homestead in a city, town or village, shall consist of lot or lots, not to exceed in value Ten Thousand Dollars, at the time of their designation as the homestead, without reference to the value of any improvements thereon; provided, that the same shall be used for the purposes of a

home, or as a place to exercise the calling or business of the head of a family; provided also, that any temporary renting of the homestead shall not change the character of the same, when no other homestead has been acquired.”
Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: “The constitutional amendment increasing the value of the homestead which is exempt from forced sale.”

PUBLIC NOTICE
Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER THREE ON THE BALLOT (SJR15)
General Election Nov. 3, 1970

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 1-d, Article VIII, Constitution of the State of Texas, be amended to read as follows:
“Section 1-d. The Legislature shall have the power to provide by law for the establishment of a uniform method of assessment of ranch, farm and forest lands, which shall be based upon the capability of such lands to support the raising of livestock and/or to produce farm and forest crops rather than upon the value of such lands and the crop growing thereon.”
Sec. 2. The foregoing con-

stitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition:
“The constitutional amendment to authorize the Legislature to provide by law for the establishment of a uniform method of assessment of ranch, farm and forest lands, which shall be based upon the capability of such lands to support the raising of livestock and/or to produce farm and forest crops.”

All of this talk about inflation, gross national product, pollution, and dropping hemlines is enough to make a woman get hooked on soap operas.

They're ideal, I've found, for getting away from your own problems by escaping into some one else's... especially when other people's problems involve such simple matters as John's other wife's son eloping with her current husband's daughter by his first marriage and using John's present wife's second car to elope in.

My husband doesn't exactly see eye to eye with me on this "escape" routine. He's a firm believer in facing problems squarely with a cool head... unless it's some domestic crisis like that one glass of milk that keeps getting overturned at every family meal. Things like that really make the old boy lose his cool, but I kind of enjoy them "cause" it's the one time I turn into a model of efficiency. (Unfortunately, the image lasts only as long as it takes me to wipe up the spill... so lately I've toyed with the idea of adding a little dance routine to my mopping-up chores to prolong the image a few minutes more.)

Anyway, the other night we had one of those serious husband-to-wife talks after the kids were in bed and the pillow-fights had dropped off to a normal boys-will-be-boys level. Seems that he had been thinking seriously about inflation, gross national product, etc., and decided we should contribute to their solution by

starting in our own home.

For one wild moment, I thought he was about to suggest that I go on a diet to combat my own personal inflation and slim down from a gross local product. But then he started talking about all of the garbage we have at our house... disposable soft drink bottles, plastic milk cartons, paper towels, etc. I was about to remind him it's his dear little wife who has to empty the garbage every night, but the caution light was clearly on.

If the average family, he said, would refuse to buy "disposable" items and demand reusable or returnable containers, it would do more to reduce pollution than eliminating all the factory smoke stacks in America.

Before I could think that one out, he started talking about all the money we could save too. Turned out we could save \$30 a year just by buying a few kitchen cotton towels, washing them with our regular laundry, and using them over and over again. What's more, he continued, buying soft drinks in returnable bottles would not only save money but reduce our garbage by about 600 bottles a year. (We're our own drinking uncles.)

My husband apparently didn't realize he had also offered me a solution to the hemline problem. With the savings we'll have by disposing of disposables in our grocery shopping, I just might be able to buy me a new midi this fall.

Kitchen, Linen
Shower Honors
Reta Oliver Aug. 11

Reta Oliver was honored with a kitchen and linen shower Aug. 11 in the Fellowship Hall of First United Methodist Church.

Miss Oliver and Blaine Bennett will be married Sept. 26 in the First Baptist Church of Stamford.

Carla Adair registered guests. Guests were served from a table covered with white lace cloth. Crystal appointments were used. A pink and white honeycomb umbrella decorated the gift table.

Out of town guests were the bridegroom's mother and sister, Mrs. Homer Bennett and Jo Ann Bennett, both of Stamford.

Mr. and Mrs. Langford McCracken had as guests in their home over the weekend Mr. and Mrs. Julius Decker of Lindale, Tex., and Mr. and Mrs. Jerry Sihes and Tracie of Abilene.

Woman's Literary
Club Meets Home
Of President Friday

The Woman's Literary Club met Friday morning for a called meeting in the home of the president, Mrs. Donald Young.

A note of appreciation from Mary Wallace, recipient of the 1970 scholarship, was read. She expressed her thanks for the \$100 scholarship which she will use at Hardin-Simmons University, Abilene.

The resignations of Mmes. Ray Edmiston, Gene Steele, W. L. Moran and Cecil Hardaway were read and accepted with regret.

New members elected were Mmes. Luther Kirk, S. L. Calhoun, Claude McDonald, O. H. Weaver and Archie Carlson.

Mr. and Mrs. Earl Ray Coplen of Aspermont are parents of a boy, Jerry Earl, born Aug. 15 at 12:11 a.m. He weighed 10 lbs. 14 oz.

Gift Tea Thursday
Honors Reta Oliver
In Pritchard Home

A gift tea honoring Reta Oliver, bride-elect of Blaine Bennett of Stamford, was given Thursday afternoon in the home of Mrs. Leroy Pritchard.

Guests were received from 5 to 7 p.m. by Mrs. Burt Oliver, mother of the honoree; the honoree; Mrs. Homer Bennett of Stamford, mother of the prospective bridegroom; and Jo Ann Bennett, the prospective bridegroom's sister.

Mrs. Pritchard greeted guests.

The honoree wore a yellow daisy corsage. Others in the houseparty wore corsages of white carnations.

Mrs. W. L. Hunter registered guests. A brunette bride doll and a white carnation in a bud vase decorated the table.

Mrs. John C. Bryant and Mrs. J. C. Turner served. The table was covered with a white

linen cloth and centered with a brass fountain with yellow floating candles and floating green gladioli and yellow daisies.

Out of town guests were Mrs. Rue Bennett of Anson, aunt of the prospective bridegroom; Mrs. Dewain Finley of Albany, cousin of the prospective bridegroom and her daughters, Melinda and Lori; and Mrs. Wesley Nail and Sheree of Lubbock.

Hostesses with Mrs. Pritchard were Mmes. Jack Vaughan, Hunter, Bryant, Turner, La Foy Patterson, Harvey Elkins, Jack Russell, Gerald Young, J. O. Murphree, Cecil Sellers, Horace Driver, Leonard Johnson, R. D. Compton, John Johnson, Elbert Payne, Jack Townley, Ray Maberry, David Galloway, Roy Pritchard and Johnny Hester.

FROM THE FILES . . .

FORTY-FIVE YEARS AGO
(August 21, 1925)

Probably the best attended picnic in the history of Hamlin was held last week. The three days held their attractions and several thousand were present each day. The second day, Friday, was the big day. That was the "barbecue" day. It is estimated that 7,000 or 8,000 people were there then. The picnic committee was ready for them. They had 4,590 pounds of the best cooked beef, 60 gallons of pickles, 100 pounds of onions, 1,200 loaves of bread, 6 wash pots full of coffee and to keep the crowd well cooled, there were 15,300 pounds of ice used on the three days.

On Friday, Dr. P. W. Horn addressed a large number of the visitors. Dr. Horn went into details concerning the progress for the opening of the Texas Tech at Lubbock of which he is president. Considering the large number of people from over a wide scope of territory, the behavior and general conduct was excellent. One or two reported tires stolen and on Saturday, up in town some one or more persons succeeded in passing three one dollar bills as tens. The houses getting the "doctored" currency were, Hamlin Dry Goods, The City Bakery and Wall-Young. This trick was crudely done, but when clerks are very busy they are not expert in noticing bills. Friday after everybody had all the eats they wanted, there were seven pots full left, this was distributed liberally to any and all who came for it. Mr. Nobles was in charge and remained two hours after the dinner time to dispense the meat. He got tired and the last count he had there were still two or three pots full. If anyone left hungry it was not the fault of the committee.

TWENTY YEARS AGO
(August 18, 1950)

Don McLaughlin, sponsor, of a local boxing team here is announcing this week for all boys of grade and high school ages to meet each afternoon at the High School Gymnasium at 4:30 p.m.

About 10 or 12 boys are coming out for the conditioning he stated and parents may watch the workouts anytime.

If the training takes hold here McLaughlin expects to have matches with other towns.

Surprise starter for the Sweetwater Swatters in Longhorn league play Wednesday night, "Runt" McCoy gave the Ballinger Cats a look at his curve ball and was returned as winner in an 8-2 ball game.

McCoy had the Cats shut out until the ninth inning when the opposition came through with a pair of tallies. Prior to that inning, McCoy had scattered six hits.

McCoy retired eight Cats by strike outs. He was not available for a statement as to whether he will continue to pitch for the Swatters.

Les Cowan has changed his mind about playing professional football for the Los Angeles Rams in the National Football League.

Les had previously announced that he would not appear after being drafted to the Pacific Coast club and had accepted a position in the San Angelo coaching system.

Reports of events leading up to the new decision were sketchy and

Cowan has already reported to the Rams.

Cowan is justifiably famous as an all-conference end for the potent McMurry Indians after his graduation from Hamlin High School.

TEN YEARS AGO
(August 18, 1960)

Hamlin's new \$200,000 dial telephone system will come to life at 1:01 a.m. next Sunday morning. This announcement was made this week by Gene Adkisson, Southwest Bell Telephone Company manager.

Adkisson explained the reason for the early morning hour conversion was to coincide with other towns being converted to dial systems and to tie in with the nation's Long Distance telephone network.

"At present time Long Distance operators can't dial telephone calls from out of town to Hamlin," the manager said, "but when our dial system comes to life they will be able to do it. So, we notify all Long Distance operators that at 1:01 a.m. Sunday any calls coming from out of town to here can be dialed."

Adkisson said customers will know the new dial equipment is in operation when they pick up their telephones and hear the characteristic "hum" to the dial telephone. He emphasized that customers should not try to dial until the new system goes into operation early Sunday morning. The change means everyone in Hamlin gets a new telephone number beginning with the prefix or central office name "SPring 4."

These new numbers are designated to fit into the national telephone numbering system, which eventually will make it possible for everyone to dial his own out-of-town telephone calls. Directories listing all new numbers have already been sent to customers here.

Installing the new dial equipment in Hamlin has been a big job, even for the telephone company. The manager mentioned there was no such thing as a "mass produced telephone exchange" and that each dial system is tailored-made for the community it serves.

"After 1:01 a.m. Sunday Hamlin will have an up-to-date system that is equal to any other system in the Southwest," he said.

Adkisson also said the company is presently making plans to hold a city-wide open house to show off the new telephone equipment. He said the dates for the affair would be announced in the near future.

it is the fault of the majority when they permit a lesser number to disrupt and override the feelings of the more numerous of any group, whether it be on a campus, a labor union or a church. This would be true if the usual procedures and orderly processes were employed. The difference is that the orderly procedures are thrown aside by the militants, which is no more or less than anarchy, with which the majority would be unable to cope except by its own physical force.

Telethon for Muscular Dystrophy Set

A super-spectacular, which has smashed all records for programs of its kind in New York and several other cities, is coming to Abilene for the first time this Labor Day weekend. It's the Jerry Lewis Telethon to raise funds for the fight against muscular dystrophy and related diseases. The show will be seen in this area over KTXS, - Channel 12 starting at 8:30 p.m., Sept. 6, and continuing, without interruption until 5:30 p.m. Sept. 7.

This is the fifth consecutive Labor Day telethon that Lewis — for many years national chairman of Muscular Dystrophy Associations of America — will be doing. His 1969 show established a new world's record with pledges of over \$2,000,000.

Televised live and in color from the Imperial Ballroom

of the New York Americana Hotel, the telethon will be relayed by a sixty-five station television network. Local cut-ins will feature distinguished local personalities, as well as other area citizens active in MDAA's program.

Jerry Lewis says he's confident this year's show will be bigger and better than

Eternal Vigil...

Salt air, the beating of heavy waves, and rains... these are just a few of the elements that a ship must face constantly. With all of these things, it is little wonder that the crew must be alert, looking for rust and other damage. New paint to protect the ship must be applied regularly.

An individual faces many things in this world, that would rust and corrupt his life, therefore it is good to begin each week with a renewing of spirit, that can be obtained only through worship in the Lord's house.

NEWS FROM...

Sylvester

By MRS. R. M. BARR

Fooled us again didn't it? Maybe it will rain soon!

This is the morning when many of our youngsters had to arise early and start that fall term of school, seems odd for children to be in school in August but I suppose there is a good reason or the school board wouldn't allow it.

The Melvin Thompson family and the Albert Maberry family spent several days enjoying the cool breezes of New Mexico this past week. The Maberrys are from Trent. The Methodist Church members enjoyed fellowship and ice cream one night last week.

Neal Tankersley of Ft. Worth returned home with his uncle Ernest Kiser for a few days before school starts. Mrs. Gladys Andrews of Hamlin visited in the W. B. Brown home Sunday afternoon.

Mrs. Ezell Whitten of Hamlin visited with her sister, May Hurst Monday morning.

Guests in the Jim Lanning home last weekend were Mr. and Mrs. McKee Andrus of LaMarque.

There is a beautiful new Chevrolet in the Jim Beck garage and a beautiful new pickup in the Faye Dozier garage.

Mrs. Wesley Maberry of Abilene along with her two daughters spent Sunday night in the J. P. Maberry home.

Mrs. Carra Perkins is visiting her son's family, the Raymond Perkins in Lubbock.

Bobby Crowley and an aunt, Mrs. Jerry Crowley, were guests in the home of his sister and family, Mr. and Mrs. Tom Reed, Dana and Sharlyn in Lampasas last Saturday evening. Mrs. Reed is the former Janis Crowley.

Junior High, High School Football Schedules Told

Complete schedules for the four football teams to be fielded by the Hamlin Schools have been announced this week by Athletic Director Deane Wright. Schedules have been released for the varsity, the freshmen, the eighth grade and the seventh grade teams.

Because of the lack of players there will not be a B team schedule this year, Coach Wright said.

The freshmen will open the season with their first game on Thursday, Sept. 10 at Crosbyton. The varsity will play the following night at Winters and the two junior high teams will open their play the following Tuesday, Sept. 15.

While all of the coaching staff will be assisting Coach Wright with the varsity, Coach Bobby King will be coaching the freshmen, Coach Don Drummond will coach the eighth grade and Coach Travis Sursa will coach the seventh grade.

The Pied Pipers will hold two scrimmages to prepare for the season, the first will be at Seymour, Friday, Aug. 28, and the second will be here with Aspermont, Friday, Sept. 4.

The schedules are as follows:

PIED PIPERS

At Knox City-- Public Field Day Set By Soil Conservation Service

A public field day will be held on September 30 at the Soil Conservation Service plant materials center at Knox City, State Conservationist Clyde W. Graham announced this week.

New grasses, forbs, legumes and other plants under evaluation at the center will be discussed during the day, Graham said. The center, known officially as the James E. "Bud" Smith Plant Materials Center, serves both Texas and Oklahoma.

Some 675 strains of 164 different plants are being grown at Knox City to try to find superior strains that will solve specific soil and water conservation problems. The most promising ones are then grown and evaluated under field conditions on farms of soil and water conservation district cooperators under a wide variety of conditions. Selections that prove superior to other strains available are then released by conservation districts to commercial seed growers. These producers then grow seed and sell it to the public.

A new grass variety, Selection 75 Kleingrass, was certified and released last year as a result of work done at the center in cooperation with the Texas Agricultural Experiment Station. Other grass strains proven and put into use by SCS include El Reno, Uvalde, and Vaughan side-oats grama; King Ranch blue-stem; green sprangletop; and Grenville switchgrass. Some of the groups who cooperate with SCS in its plant materials work in Texas include Agricultural Research

Auto Inspection Time Here Again

AUSTIN — Colonel Wilson E. Speir, director of the Texas Department of Public Safety, today reminded Texas motorists that vehicles bearing red motor vehicle inspection stickers with the large numeral "9" must be reinspected before midnight September 30.

Texas now operates on a 12-month inspection system. The inspection sticker in the lower left-hand corner of the windshield contains a large numeral showing the month of inspection and expiration.

Speir said vehicles with red stickers and the number "10" will require reinspection before midnight on the last day of October. Those with an "11" must be reinspected before the end of November, with a December 31 deadline for red stickers numbered "12."

All motor vehicles and certain classes of trailers are subject to the mandatory inspection which includes brakes, lighting equipment, horns and warning devices, mirrors, windshield wipers, front seat belts in vehicles where seat belt anchorages were part of the manufacturer's original equipment on the vehicle, steering (including power steering), wheels and rims, exhaust system, and exhaust emission system.

State law requires that inspections be made at privately owned official inspection stations which have been appointed and regulated by the Department of Public Safety. The statutory inspection fee is \$2.00 with adjustments or repairs extra if required.

Jackie Drummond Receives Air Force Promotion to Major

VALPARAISO, Fla. — Jackie W. Drummond, son of Mr. and Mrs. G. W. Drummond, 130 S. W. Avenue D, Hamlin, has been promoted to major in the U. S. Air Force.

Major Drummond, who holds the aeronautical rating of senior pilot, is assigned at Eglin AFB, Fla. He is in the 603rd Special Operations Squadron, a unit of the Tactical Air Command which provides combat units for air support of U. S. ground forces. The major has completed 30 months of duty in Vietnam.

and has also served in Thailand.

A 1955 graduate of Hamlin High School, he received his B. B. A. degree in 1960 from Texas Technological University.

Major Drummond's wife, Dixie, is the daughter of Mr. and Mrs. L. B. Fulp, Rt. 1, Crawford, Tex.

Bennie Bernice Elkins Lock, a former Hamlin resident now residing in San Angelo, is one of the 133 students listed as candidates for degrees at Angelo State University. She is to receive a bachelor of science degree. Graduation will be held at 9:30 a.m. Saturday.

THANK YOU

We would like to announce the sale of our cleaning plant and tailor shop, Jess Young Cleaners, to Mr. and Mrs. Ewell Mackey. We would especially like to express our appreciation to all our many friends and customers who have been so faithful to us since we first opened our shop Dec. 15, 1919. We could not have stayed in business all of these years without your support. We count all of you as more than just customers but as true friends.

We would urge that you support this fine young couple and know that they will do their very best to take care of all of your cleaning and pressing needs. It is with pride that we turn over our business to Mr. and Mrs. Mackey, who have worked so hard in the community life of Hamlin and know that they will merit your continued support.

Again, we would like to say thank you for your many, many years of valued patronage.

Mrs. Earl Brown Returns from Trip To Alaska, Calif.

Mrs. Earl Brown recently returned from a trip to Alaska and California. She and her sisters, Mrs. Gordon Green of Driscoll and Mrs. Ramos Elkins of Arlington visited with their brother, Robert King, who is administrator of a school for delinquent boys and girls in Anchorage, Alaska.

While in Anchorage, they made a trip by train and luxury ferry to Whittier and Valdez, and a tour sponsored by the Alaskan Airline to Kotzebue and Nome of Northern Alaska.

The sisters came back by way of Berkeley, Calif., where they visited with Mrs. Brown's son and family, Dr. and Mrs. W. D. Brown and two-month-old son, Dylan Kenrick. Mrs. Brown remained for an extended visit.

Dr. Brown, a graduate of Hamlin High School, is a professor in the biochemistry department of the University of California.

Veterans On GI Bill Must Return Attendance Cards

Veterans who attended classes during the spring and summer sessions under the GI Bill should make sure their Certification of Attendance cards are returned to the Veterans Administration immediately, Jack Coker, Director, VA Regional Office, Waco, said today.

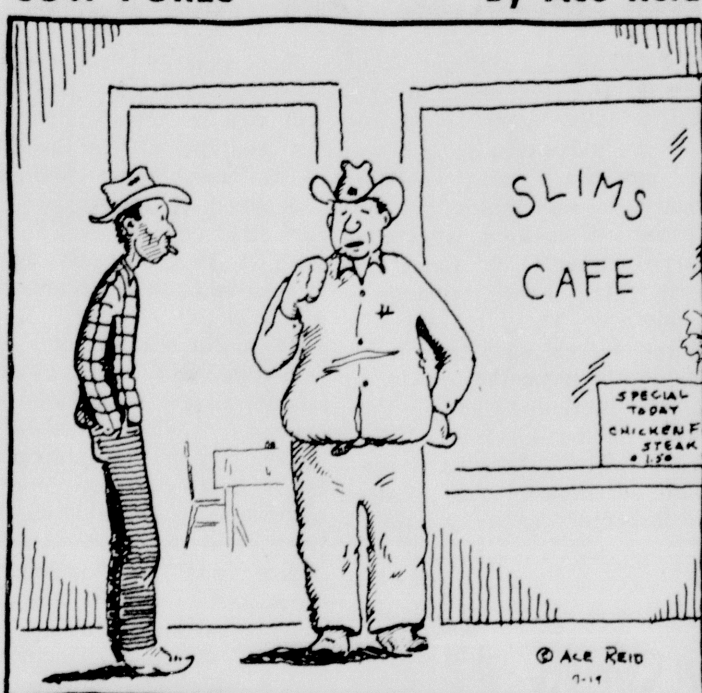

Coker explained that unless the cards are returned, veterans cannot be paid the educational money for their last month of training. Neither can they be paid for their first month of training when they return to school this fall.

A veteran attending college should fill out and sign the card he received with his next to final check, and mail it to his regional VA office, Coker explained.

A veteran training below college level should fill out and sign the card he receives with his monthly check, and return it each month to his

AUSTIN — More than 2.7 million Texas students soon be heading back to public schools again.

There will be a lot of changes in store for them, although most probably will fast adjust or barely recognize the differences.

Teachers will begin work a little earlier, and classes in some areas will start earlier.

School year will stretch out from 175 classroom days to 180.

work for in-service training and to help with school opening and closing.

For 224,500 little ones, the school experience will be brand new. They are the first graders and (30,000) five-year-olds in a new state-supported kindergarten program.

A drug education program also will be initiated, seeking an effective two-way communication between youth and adults. Utilized in the effort will be modern techniques and teaching methods which encourage students to express themselves rather than relying on lectures, preaching or moralizing. Training of local teaching teams in 1,206 school districts is slated to start in September and October.

Twenty-two school districts in major population and geographic areas will be pilot testing three key facets of the state's emerging plan for special education. These districts will serve as a proving ground for efforts in comprehensive special education, early childhood programs for exceptional children and teaching tailored for children with language and/or learning disabilities.

Even broader changes may be in store for pupils of 16 school districts sued in federal courts at Austin and Tyler for racial segregation. Districts held conferences at Texas Education Agency last week to prepare plans for conversion to non-discriminatory systems. Plans are due to go to courts by Friday (Aug. 21). Hearings may begin Monday.

EAGLE MAY BE OUT — A Railroad Commission examiner has prepared a report recommending Missouri Pacific Railway Company be permitted to discontinue its St. Louis Eagle passenger train.

Finding came after extensive hearings in several cities. Opponents of shutting down the train have 30 days to reply and restate their case.

Eagle was one of the last three passenger trains on a regular run across the state from Texarkana to Laredo and back once a day.

MP claimed a revenue loss and asked permission to cut it off its routes.

DRAFT CALL UP — September draft call for Texas is 704 — a considerable increase from 560 in August. But no man will be ordered for induction with a random sequence number higher than 195.

Col. Charles M. Duncan, deputy state Selective Service director, said it appears unlikely the ceiling will go higher than 195 for the rest of the year. Duncan said new manpower, mainly from formerly-deferred students, helped hold the level on sequence numbers.

September quota for pre-induction physical and mental examinations is 7,171, an increase from 1,490 in August. Texas' induction quota of 704 is the state's share of a national call of 12,000 men, all for the Army.

PARKS ADVANCED — Outstanding new Lyndon B. Johnson State Park near Stonewall, and across Ranch Road 1 from the famed LBJ Ranch, will be officially dedicated on August 29 at 2 p.m.

Former president will attend the festivities which include a reception and luncheon in Stonewall.

Parks and Wildlife Department also announced approval of a \$355,050 federal grant for a development project in Abilene State Park.

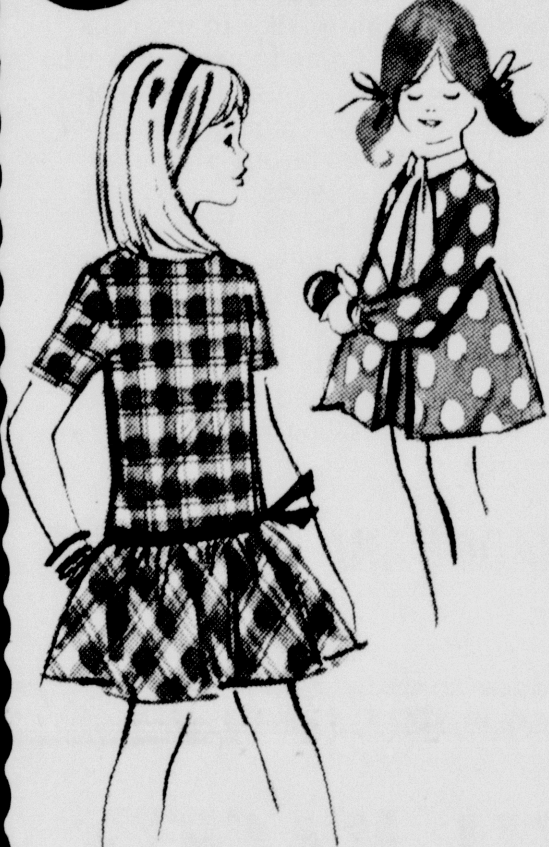

Funds will be matched by the state on a 50-50 basis in the \$710,000 project which includes building of a headquarters, visitors' center, campsites, a group shelter, wading pool, playground equipment, roads, and parking.

AG OPINIONS — An off-duty policeman may not conduct a private enterprise, employing other off-duty policeman or officers, to perform guard duty or patrol without securing a license, says Attorney General Martin.

In other opinions, Martin ruled that:

An alarm agency, approved by the State Board of Insurance, may perform certain activities — send their representatives to answer the alarm, furnish a key to police for entrance to the premises, assist the police as they may request.

Funeral Services Held Tuesday for Mrs. S. C. Ferguson

Mrs. S. C. (Wardie W.) Ferguson Sr., 79, a longtime resident of Hamlin, before moving to Harker Heights near Killeen 10 months ago, died at 8:15 a.m. Sunday at Hillandale Hospital in Killeen after a short illness. She had been hospitalized five days.

Services were held here at 4 p.m. Tuesday from First Baptist Church. Officiating were Rev. Byron Bryant, personnel director of Hardin-Simmons University; Rev. Marshall Stewart, pastor of the Church of the Nazarene, and Danny Oliver, minister of education and music of the First Baptist Church.

Burial was in Hamlin East Cemetery.

Born Sept. 12, in Jones County, she was the daughter of the late Mr. and Mrs. J. D. McClaren. She attended Simmons University in Abilene.

She was married to Bill Wilkerson in 1907. He died in January, 1947. In September, 1955, she married S. C. (Bud) Ferguson. He died Apr. 12, 1963.

Mrs. Ferguson was a member of First Baptist Church. Survivors include one daughter, Mrs. Lowell (Fanny Fay) Ballew of Killeen; two stepsons, John D. Ferguson and S. C. Ferguson Jr., both of Hamlin; one grandchild, Jo Nita Kaulfus of Temple; two great-grandchildren, Kin and Kevin Kaulfus, five step-grandchildren; five sisters, Mrs. Don C. Douglas and Mrs. Juanita Blakely, both of Dallas, Mrs. John Blankley of Arlington, Mrs. J. C. Greenway of Wichita Falls and Mrs. A. F. Dixon of Hamlin; one half brother, John McClaran of El Paso; and one half sister, Mrs. Carl Moore of El Paso.

Nephews were pallbearers.

Hotel in Mineral Wells, Aug. 14-16.

He succeeds Louis Holland, district judge of Montague County, who becomes a member of the board of directors.

Wasson has been Chief of Police here since Dec. 15, 1967. He joined the Abilene Police Department Dec. 27, 1954, and was elected to the board of directors of L. E. O.-A. T. in 1957. He was promoted to the rank of sergeant in Abilene Nov. 15, 1962 and to lieutenant July 10, 1962.

The board of directors voted to investigate the establishment of a statewide organization for boys 10 to 15 to be known as Junior Law-

Pallbearers were Roy Embrey, Herbert Crouch, George Campbell and Robert Rhoton.

men. The statewide organization would be sponsored by L. E. O. A. T.

In tentative plans, the group decided that individual troops would be sponsored by a local Police Department under the direction of two law enforcement officers known as director and assistant director. Monthly meetings would be held and field trips, camping trips would be planned. The boys would also take part in various community activities.

Other officers elected were Jay Banks, Chief of Police, Big Spring, first vice president; Jack F. Heard, assistant director, Texas Department of Corrections, Huntsville, second vice president; John Cunningham, sergeant, Ft. Worth Police Department, third vice president; Truman Roberts district judge, Hamilton, (Judge-elect, Texas Court of Criminal Appeals, Austin), fourth vice president; Dwight H. Johnston, captain, Fort Worth Police Department; secretary-treasurer; J. R. "Red" Smith, chief, Capitol security, Austin, sergeant-at-arms.

The board of directors includes Ernie Scholl, DPS, Austin; W. A. Phillips district supervisor, Texas ABC, Ft. Worth; Joe Culp, DPS, Hamilton; Melvin James, Chief of Police, San Angelo; Vinson Smith, sheriff, Briscoe County; Gilbert Kiel, sergeant, DPS, Columbus; and Franklin Speirs, district judge, San Angelo.

Connie Jo Duncan To Receive TCU Degree Friday

Connie Jo Duncan of Hamlin, daughter of Mr. and Mrs. Edgar Duncan expects to complete degree requirements and be awarded a M. P. A. degree in accounting at Texas Christian University's summer commencement on Aug. 21.

The event will begin at 7:30 p.m. in Daniel-Meyer Coliseum with Chancellor J. M. Moudy presiding. The evening's address will be given by Congresswoman Edith Green of Oregon, who will receive an honorary Doctor of Laws degree.

More than 350 earned bachelor, master and doctoral degrees will be conferred. The total, combined with the record setting 976 earned degrees awarded in May, will bring the 1970 total to more than 1,300 for the second consecutive calendar year in TCU's 97-year history.

John B. Bagwell Dies In Denver City, Rites Here

Funeral services were held here at 4 p.m. Saturday in the Church of Christ for John B. Bagwell, 71, of Denver City. Burial was in the Neinda Cemetery.

Mr. Bagwell died at 10:45 p.m. Thursday in Denver City following a short illness. He was hospitalized four days.

Wilton H. Johnston, minister, officiated.

Mr. Bagwell was born in Gorman, Oct. 13, 1898, to the late Mr. and Mrs. William Bagwell. He married Leona Mae Westmoreland in Gorman, Sept. 22, 1920.

A retired farmer, he had lived in Denver City for the past year and a half. A member of the Church of Christ,

he was a member of the Masonic Lodge.

He was survived by his wife; one son, Edward G. of Denver City and two grandchildren.

Pallbearers were Roy Brown, Gene Westmoreland, Harvey Riles, Gene Bagwell, Gene McKinney and Allan Vandivier.

Joe D. Stewart Attends Battalion Convention

Joe D. Stewart attended a convention of the 62nd Field Artillery Battalion held in El Paso Aug. 14 to 16. Attending the convention with Mr. Stewart was his wife, Ita and their grandson, Franklin Willis Jr.

Attending the convention were 102 former members of

the battalion.

Stewart, an employee of Celotex since 1946, served with the Battalion from 1941 to 1945. He was stationed in Africa, Sicily, France, Belgium, Holland and Germany. He served under Generals Patton, Bradley, and Eisenhower and after being wounded he spent six months in the General Hospital in Paris, France in 1945.

The Battalion fired 131,686 rounds of 105 mm ammunition and completed 424 days in actual combat. The men of this battalion received many decorations including six Legion of Merit, 38 Silver Stars, 19 Air Medals, 107 Bronze Stars and 120 Purple Hearts.

Gen. Bradley sent a telegram to the convention expressing his regrets that he could not attend and sent his

regards to all of the men of the 62nd Battalion.

Brett McCracken returned home Friday after spending two weeks in Houston with

his sister, De Netta Decker and her husband, Julius. While there he attended a ballgame between Houston and St. Louis at the Astrodome.

Mrs. Earl Brown Returns from Trip To Alaska, Calif.

Mrs. Earl Brown recently returned from a trip to Alaska and California. She and her sisters, Mrs. Gordon Green of Driscoll and Mrs. Ramos Elkins of Arlington visited with their brother, Robert King, who is administrator of a school for delinquent boys and girls in Anchorage, Alaska.

While in Anchorage, they made a trip by train and luxury ferry to Whittier and Valdez, and a tour sponsored by the Alaskan Airline to Kotzebue and Nome of Northern Alaska.

The sisters came back by way of Berkeley, Calif., where they visited with Mrs. Brown's son and family, Dr. and Mrs. W. D. Brown and two-month-old son, Dylan Kendrick. Mrs. Brown remained for an extended visit.

Dr. Brown, a graduate of Hamlin High School, is a professor in the biochemistry department of the University of California.

Veterans On GI Bill Must Return Attendance Cards

Veterans who attended classes during the spring and summer sessions under the GI Bill should make sure their Certification of Attendance cards are returned to the Veterans Administration immediately, Jack Coker, Director, VA Regional Office, Waco, said today.

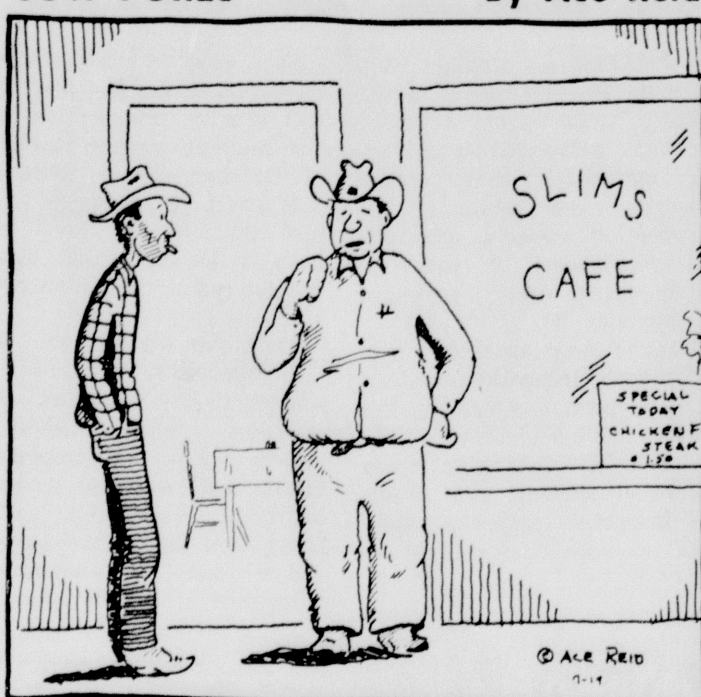

Coker explained that unless the cards are returned, veterans cannot be paid the educational money for their last month of training. Neither can they be paid for their first month of training when they return to school this fall.

A veteran attending college should fill out and sign the card he received with his next to final check, and mail it to his regional VA office, Coker explained.

A veteran training below college level should fill out and sign the card he receives with his monthly check, and return it each month to his

his attendance certification card should request another from his nearest VA office. He should then return the

AUSTIN — More than 2.7 million Texas students soon be heading back to public schools again.

There will be a lot of changes in store for them, although most probably will fast adjust or barely recognize the differences.

Teachers will begin work a little earlier, and classes in some areas will start earlier.

School year will stretch out from 175 classroom days to 180.

Teachers will be on duty 10 more days of non-teaching

Veterans intending to go to school this fall who do not have a VA Certificate of Eligibility are urged to contact their nearest VA office immediately.

work for in-service training and to help with school opening and closing.

For 224,500 little ones, the school experience will be brand new. They are the first graders and (30,000) five-year-olds in a new state-supported kindergarten program.

A drug education program also will be initiated, seeking an effective two-way communication between youth and adults. Utilized in the effort will be modern techniques and teaching methods which encourage students to express themselves rather than relying on lectures, preaching or moralizing. Training of local teaching teams in 1,206 school districts is slated to start in September and October.

Twenty-two school districts in major population and geographic areas will be pilot testing three key facets of the state's emerging plan for special education. These districts will serve as a proving ground for efforts in comprehensive special education, early childhood programs for exceptional children and teaching tailored for children with language and/or learning disabilities.

Even broader changes may be in store for pupils of 16 school districts sued in federal courts at Austin and Tyler for racial segregation. Districts held conferences at Texas Education Agency last week to prepare plans for conversion to non-discriminatory systems. Plans are due to go to courts by Friday (Aug. 21). Hearings may begin Monday.

EAGLE MAY BE OUT — A Railroad Commission examiner has prepared a report recommending Missouri Pacific Railway Company be permitted to discontinue its St. Louis Eagle passenger train.

Finding came after extensive hearings in several cities. Opponents of shutting down the train have 30 days to reply and restate their case.

Eagle was one of the last three passenger trains on a regular run across the state from Texarkana to Laredo and back once a day.

MP claimed a revenue loss and asked permission to cut it off its routes.

DRAFT CALL UP — September draft call for Texas is 704 — a considerable increase from 560 in August. But no man will be ordered for induction with a random sequence number higher than 195.

Col. Charles M. Duncan, deputy state Selective Service director, said it appears unlikely the ceiling will go higher than 195 for the rest of the year. Duncan said new manpower, mainly from formerly-deferred students, helped hold the level on sequence numbers.

September quota for pre-induction physical and mental examinations is 7,171, an increase from 1,490 in August. Texas' induction quota of 704 is the state's share of a national call of 12,000 men, all for the Army.

PARKS ADVANCED — Outstanding new Lyndon B. Johnson State Park near Stonewall, and across Ranch Road 1 from the famed LBJ Ranch, will be officially dedicated on August 29 at 2 p.m.

Former president will attend the festivities which include a reception and luncheon in Stonewall.

Parks and Wildlife Department also announced approval of a \$355,050 federal grant for a development project in Abilene State Park.

Funds will be matched by the state on a 50-50 basis in the \$710,000 project which includes building of a headquarters, visitors' center, campsites, a group shelter, wading pool, playground equipment, roads, and parking.

AG OPINIONS — An off-duty policeman may not conduct a private enterprise, employing other off-duty policeman or officers, to perform guard duty or patrol without securing a license, says Attorney General Martin.

In other opinions, Martin ruled that:

An alarm agency, approved by the State Board of Insurance, may perform certain activities — send their representatives to answer the alarm, furnish a key to police for entrance to the premises, assist the police as they may request

Neinda Philosopher Comes Out With A Farm Subsidy Plan Designed to Satisfy Everybody

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One comes out with a bold new plan this week to aid farmers. He's a farmer.

Dear editor:
According to all the newspapers that have turned up out here on this Johnson grass farm lately, the annual squabble is now going on in Congress over government payments to farmers, some people wanting to limit the payments more, others wanting to wipe them out completely.

Personally I have never objected to paying farmers for not growing anything, we pay Congressmen and Legislators for not passing bills, don't we, but since the idea rubs some city people the wrong way I have worked out a new idea that ought to satisfy everybody.

Instead of paying us farmers for not producing certain things the government would instead pay us for producing something every city man can't get enough of.

And what's that? It's OXYGEN.

Everybody knows that oxygen is produced by plants, crops, grass, weeds, brush, trees, etc.

Everyone knows that the average city doesn't produce a fraction of the oxygen it needs. Paved streets and crowded tall buildings just don't produce the stuff. Let the wind stop blowing and a mass of dead air settle over a city like New York say and in 30 minutes the people are choking for air. It gets so bad doctors urge the people not to exercise and parents, lest they use up more oxygen than the room has to spare, are afraid to shout at their

children.
Where would the cities be without us oxygen-producing farmers? It's something they've never thought about. Why I've had city people come out here to this Johnson grass farm and criticize the amount of weeds on the place, little knowing in their ignorance that one acre of my weeds might be the margin between their breathing and kicking the bucket.

All right. Cut out all the subsidies to farmers, everybody knows food now comes from the supermarket anyhow, but pay them for supplying oxygen to a short-winded nation.

I don't know how the Agriculture Department will figure the price, but I know this one Johnson grass farm produces enough oxygen for at least 25 city blocks, and depending on the city, that's anywhere from 1000 people to 50,000. Call it 25,000 in round numbers. Any city man in his right mind would pay a dol-

Fisher County Sets Boll Weevil Control Meeting Monday

The Fisher County Boll Weevil Control Association will meet Monday, Aug. 24, at 8:30 p.m. at the Agricultural Building in Roby, according to Guy Kemp, President of the Association.

Officials from the State Dept. of Agriculture will be on hand to discuss the 1970 State Diapause Program and let the contract for the aerial applicator.

All members of the Association and prospective members are urged to attend, according to Kemp.

Father of Mrs. Gene Walton Dies

Cullus E. Thomas, 60, of Wewoka, Okla., father of Mrs. Gene Walton of Hamlin and Mrs. W. D. Holden of Abilene, died at his home Aug 2 following a heart attack.

He was retired from Pan American Oil Corporation after 36 years of employment. He spent several weeks as patient at Holiday Lodge here this spring.

Other survivors are his wife, Verne, his mother, Mrs. Frank Thomas of Duncan, Okla., five sisters, one brother and five grandchildren.

HOW DOES IT WORK?

SPACE FOOD

FEEDING THE ASTRONAUTS TASTY FOOD HAS POSED A SPACE PROBLEM. EARLY SPACE FOODS WERE SOFT AND MUSHY--AND THE ASTRONAUTS SQUEEZED THEM INTO THEIR MOUTHS FROM TUBES.

ON THE LATEST MOON TRIP, ASTRONAUTS ATE MORE LIKE EARTHLINGS--THANKS TO A SPECIAL NEW LIGHTWEIGHT PLASTIC POUCH WHICH KEEPS UNFROZEN COOKED FOOD GOOD FOR YEARS. THE ASTRONAUTS JUST OPENED THE ENVELOPE-LIKE PACK AND SPOONED OUT MEAT, VEGETABLES AND GRAVY.

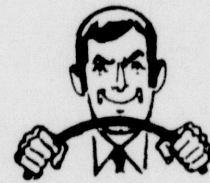

WHEN THE FIRST MAN SET FOOT ON THE MOON, CONTINENTAL CAN COMPANY'S WET-PACKS WENT ALONG FOR THE RIDE. ULTIMATELY, FOODS MAY BE PACKED LIKE THIS FOR ALL OUTDOORSMEN.

Bully On a Bus

Bus driver Hawkins noticed that one of his passengers, obviously drunk, was getting belligerent toward a young woman. Hoping things would calm down, Hawkins did not interfere.

But things did not calm down. On the contrary, the man climaxed his outburst by giving the woman a vicious kick in the shins.

In due course, she filed a damage suit against the bus company. And a court ruled that the company was indeed liable. The judge said Hawkins had failed to live up to his legal responsibility.

ties as the "man in charge" of the bus.

As a rule, a bus driver has the duty to do some basic policing of his vehicle. When one passenger menaces another, the driver cannot just take refuge in the role of a neutral bystander.

In fact, he may have to take affirmative action not only against grown-up bullies but also against youthful rascals. In another case several teenagers, armed with rubber bands, began firing paper clips around the interior of their school bus.

Again, the driver followed a hands-off policy. But when a girl was struck in the eye and injured, the bus company was held liable in court. The judge said the driver had an affirmative duty to halt this dangerous game.

Nevertheless, since he is not really a policeman, he does not have to go out of his way to search for trouble. Thus:

An intoxicated passenger jabbed a large pin into another man's hip. The indignant victim later demanded damages from the bus company, pointing out that his attacker had been quarrelsome and profane even before thrusting the pin.

But it also appeared that the fellow had been sitting far back in the bus, and that the driver had simply not been aware of his misbehavior. Accordingly, the court found no grounds for placing blame upon the driver.

"His primary duty," said the judge, "is to give his full attention to the operation of the bus. If he concentrates upon this all-important duty, he cannot give attention to the actions of the passengers unless it is unusual as to demand it."
